1-855-519-8472

★ AVAILABLE 24 HOURS A DAY ★

1

Injured worker notifies supervisor.

El empleado herido notifica a su supervisor.

2

Supervisor/Injured worker immediately calls injury hotline.

El Supervisor/Empleado herido notifica inmediatamente a la línea de emergencia para accidentes o heridas.

3

The Nurse Hotline gathers information over the phone and helps the injured worker access appropriate medical treatment.

La Enfermera de la línea de emergencia recopila información vía telefónica y ayuda al empleado herido a obtener el tratamiento médico adecuado.

**For newly reported work injuries, our nurses
are standing by to direct employees
to the right care at the right time.**

**Non-immediate
Medical Emergency**
Please call us for direction
of care with injured employee.

Serious Medical Emergency
In the event of a serious
medical emergency, do not wait
to speak with a nurse. **Call 911**

Revised July 1, 2022

Please post copies of this poster in multiple locations within your worksite.
If the injury is non-life threatening, please call prior to seeking treatment.
Minor injuries should be reported prior to leaving the job site when possible.
