

Downloading and Authenticating the MiCollab App - Mobile Devices

<u>Important!</u> - For first time set up you will need to have access to another device/computer that has internet connection, so you can scan the QR code for authentication. Please follow the steps below:

- 1. Go to the Apple <u>App Store</u> or the Google <u>Play Store</u> to download the MiCollab App
- 2. Once the app is installed, select *accept* to agree to the license agreement
- 3. You will be prompted for an authentication key on the new app on your phone.
- Using another computer, go to <u>https://micollab.cuesta.edu/ucs/micollab/</u> and login using your Cuesta username and password
 - a. If prompted, accept the license agreement again. Then, select *Settings* (gear icon) from the left navigation options.
 - b. Select General
 - c. Select Self Deployment. A QR code will display.
- 5. Go back to the app on your phone and select Scan QR code
- 6. Scan the QR code that is displayed on the other computer with your phone.
- 7. When prompted for a password, enter your Cuesta password
