

2025

BECOME AN ACADEMIC TUTOR!

CSS 168/768 TUTOR TRAINING: SELECTED TOPICS

Learn How to be an Effective Tutor

CSS 168/768 presents tutoring strategies, problem-solving techniques, and ways to build learner motivation. This online course explores factors that impact student learning, the tutoring cycle and tutor's role, and academic success strategies. It also trains academic tutors to work in the Student Success Center.

*The course is offered for 1 credit unit (CSS 168) or as a noncredit option (CSS 768).
The class is fully online.*

Summer 2025 Schedule

CSS 168 | CRN 50854 (Credit option); CSS 768 | CRN 50938 (Noncredit option)

5 weeks: 6/16/2025-7/18/2025

Fall 2025 Schedule

CSS 168 | CRN 73386 (Credit option); CSS 768 | CRN 74306 (Noncredit option)

5 weeks: 9/08/2025-10/10/2025

ABOUT COLLEGE SUCCESS STUDIES

College Success Studies is part of the Student Development and Success Division. Our mission is to prepare students for success at Cuesta College. CSS courses and curriculum are designed to provide dynamic and challenging learning opportunities that encourage critical and creative thinking strategies.
